APHA AMATEUR RULES - AM-010. ELIGIBILITY

To qualify as an Amateur exhibitor with the APHA, an individual must meet the following requirements.

1. **Age.** An individual is considered an Amateur exhibitor when he/she is no longer eligible to show in the Youth program. For Amateur eligibility purposes, the age of an individual as of January 1 will be maintained throughout the calendar year.

2. **Remuneration Restrictions.**

a. For a period of 36 months (three years) prior to the date an application for Amateur status is received in the APHA office, an applicant may not have shown, ridden, judged, trained or assisted in training a horse for remuneration, either directly or indirectly; not received remuneration for instructing another person in riding, driving or training a horse; nor received remuneration for instructing another person in showing a horse in competition; nor solicited for any of the above.

b. An individual may not have shown, ridden, trained or assisted in training of a horse for which the individual's spouse, at the time, accepted any form of remuneration, either directly or indirectly, for training, assisting in training, or showing of said horse in competition for a period of 36 months (three years) prior to the date an application for Amateur status is received in the APHA office.

c. **Entry Fees/Premium Money.** Payment of entry fees and or expenses by anyone other than the Amateur, his/her immediate family, or his/her corporation as defined in AM-020.A is considered remuneration.

d. **Amateur Status.** Amateur status may be maintained only by continual refusal of remuneration.

e. Within the three calendar years previous to application for amateur membership, an individual cannot hold a membership accreditation in the following organizations: Professional Rodeo Cowboys Association, Women's Professional Rodeo Association, International Professional Rodeo Association, Professional Women's Barrel Racing and the Women's Professional Rodeo Association for the same events or classes the individual competes, or desires to compete, in APHA amateur competition. For example, a person who competes in a PRCA roping event may not compete in amateur tie-down roping, dally team roping (heading, heeling, steer stopping) but may show in any other amateur classes. A permit holder is not considered as one who has membership accreditation in a professional organization and may compete in any APHA Amateur classes.

f. Certification as an instructor in equitherapy by Professional Association of Therapeutic Horsemanship International (PATH) or similar organization recognized by APHA, shall not result in amateur ineligibility. APHA shall maintain a list of such recognized organizations. To be eligible as an APHA amateur, the accepted instructor may only teach students enrolled with the recognized organization or prescribed such rehabilitation by a licensed medical provider. Any amateur competitor accepted under this provision, shall file such certification with the APHA Amateur Department prior to any competition by such individual.

3. **Judges Ineligible.** Any approved horse show judge is ineligible

APHA AMATEUR RULES - AM-020. OWNERSHIP

Any horse exhibited in Amateur classes at APHA-approved shows or shows sponsored by the APHA, or to qualify for the various APHA Amateur points, titles and awards, the Amateur or the Amateur's family must be the current recorded owner of the horse. Family shall include the following: spouse, mother, father, son, daughter, brother, sister, grandchild, grandparent, step-grandparent, legal ward, inlaws (father, mother, brother, sister, son, daughter), stepchild, stepparent, stepbrother, stepsister, half brother, half sister, aunt, uncle, niece, nephew or solely owned corporation, ranch or farm. Such ownership must be evidenced by the records of the APHA. Throughout the rest of these rules, the above shall stand as ownership requirements. See Rule GR-020.K.1. and RG-035.B.1.

1. Horses Under Show Lease. Amateurs are eligible to show leased horses with the following guidelines:

- a. In APHA-approved shows.
- b. The show lease must be to an individual only.
- c. The leased horse may be shown by the amateur leasing the horse and the amateur lessee's immediate family members. (see AM-020.A.).
- d. The lessee must be responsible for all expenses relating to the horse, and records must be made available to APHA upon request.
- e. A Show Lease Form must be on file with APHA prior to exhibition of the leased horse.
- f. A Show Lease Certificate from the APHA office must be presented at the time the horse is to be shown by the lessee.
- g. All Show Leases expire on December 31 of the year submitted, and must be renewed annually to remain in effect.
- h. Only one show lease covering a horse will be recognized at a time.
- i. There is no limit to the number of horses that an individual can lease during any given period of time.
- j. For the lease of a horse to be recognized by the Association to establish ownership eligibility in APHA-approved shows or contests (Show Lease), written notice of its existence shall be filed with the Association on forms provided by APHA, signed by both the lessor and lessee, and submitted with applicable fees (see fee schedule at front of the Rule Book) and accompanied by a copy of the registration certificate (both front and back). The notice shall provide the effective date of the lease.
- k. Ownership eligibility recognized by a Show Lease will follow those set forth in Rule AM-020.A. The lessor and their family will not be recognized as owners for competition purposes during the lease period.
- l. Any points, awards or money earned by the lessee during the lease period will be considered the lessee's. Any Breeders' Trust money earned by the horse during the lease period will be sent to the recorded owner as of December 31 of that point year if eligible per current Breeders' Trust Program rules.
- m. All Show Leases expire on December 31 of the year submitted, and must be renewed annually to remain in effect. If it is necessary that the lease be canceled prior to the termination date provided, it may be terminated by written notice giving termination date, signed by both the lessor and lessee. No additional fee shall be charged for termination, whether automatic or by subsequent notice thereof.
- n. In regard to Association procedures, recordation of a show lease authorizes a lessee to execute all documents pertaining to the recognized show activities regardless of any limitations in the actual lease agreement. Enforcement against the lessee of limitation on the use of the horse and/or any other terms of the contract or lease, is the sole responsibility of the lessor. A show lease does not grant a lessee or lessee's agent authorization to sign breeder's certificate(s), stallion breeding reports, transfers or registration applications for the horse.

APHA AMATEUR RULES - AM-020. OWNERSHIP

- o. Horses may not be leased to a third party at any time, and such action will not be recognized by the Association.
- p. During the effective term of the show lease, the Association will not record subsequent changes in ownership until the lease is terminated, unless the transfer shows the lessee as the new buyer. The date of sale in such a case will become the date the lease is terminated.
2. Horses Owned in Partnership or Jointly. Horses whose current recorded ownership is in a partnership or jointly owned by any person other than those listed above are not eligible for participation in APHA-approved Amateur classes, for APHA Amateur points, and/or APHA Amateur awards. The Amateur exhibitor must be related to each name listed on the horse's registration certificate and/ or every owner of the farm/business/partnership to be eligible to participate in APHA-approved Amateur/Novice Amateur classes.
3. An amateur who is the spouse of a trainer cannot show a horse for which their spouse/trainer has received remuneration for training during the six (6) month period preceding showing of the horse.
4. College or University Owned Horses. Students that are eligible to compete as an Amateur or Novice Amateur can show college or university owned horses in APHA-approved Amateur or Novice Amateur competition after meeting the following requirements:
- a. Amateur/Novice Amateur Application and Eligibility. All rules regarding application and eligibility for Amateur or Novice Amateur status shall apply. See Rules AM-010, AM-015, AM-205 and AM-210.
- b. Application. The student must submit an application to APHA requesting permission to show a college or university owned horse. The application must be submitted and approved prior to competing in any APHA-approved shows. If the application is approved or denied, a letter will be sent to the applicant. If the application is approved, the approval letter must be presented to the show secretary when show entries are made. An application must be submitted at the beginning of each semester the student is wishing to compete and must include the following items:
1. Signature of the college or university equestrian team coach or equine program instructor.
 2. List of horses with which the student is planning to show.
 3. Verification that the student is enrolled in at least 12 credit hours.
 4. Photocopy of student identification.
- c. For APHA purposes, the spring semester will be from January 1 – June 30 of each year and the fall semester will be from July 1 – December 31 of each year.
- B. TRANSFER OF OWNERSHIP. The exhibitor must be able to prove ownership at the time of the show by presenting the APHA registration certificate or a legible photocopy with the correct owner or owner's name printed on the certificate by the APHA office.
